Project Title: paradox.me		Report Date: 4/24/21		
Milestones to Date	**Description of Deliverables**	**Due Date**	**Actual Completion Date**	**Comments**
Establish project details	Research and defining project details	3/31/21	3/27/21	This was completed by the meeting with the project manager
Find all API's/plugins	Establishing what will be on the website in terms of API's and plugins	4/5/21	4/5/21	This was done with 1 later revision due to finding a better plugin option to replace a API.
Connect all APIs to website	This makes sure all APIs and plugins were on the website	4/12/21	4/12/21	This one I did not expect the amount of work for but got it done.
Finish all API and website interactions	APIs and plugins act the way they were supposed to	4/26/21	4/25/21	Was the hardest to do since certain plugins needed fixing to do what I wanted.
Finish admin/writer/chat	Make sure all roles were on the website and had correct permissions	4/26/21	4/12/21	Surprisingly easy to do and part of the base website that only needed a plugin to enhance.
Finish role interactions	Make sure the roles can interact	4/26/21	4/12/21	Expected this one to be hard but was actually the easy part
Finish rough draft	A basic functioning website	4/26/21	4/26/21	I got a basic functioning website that may need color changes but that's it.
Finish project revision	Make sure everything works	5/2/21	5/2/21	Coloring needs a change and role name spelling need to change also another post to show off a feature.
Finish project	Make the project look nice.	5/2/21	5/2/21	I changed coloring and role names by 5/2/21.
